

# GEAUGA COUNTY BOARD OF COMMISSIONERS

James W. Dvorak   Timothy C. Lennon   Ralph Spidalieri

---

DEPARTMENT OF WATER RESOURCES (GCDWR) • Steven Oluic, PhD, Director  
12611 Ravenwood Drive • Suite 390 • Chardon, Ohio 44024

September 16, 2022

## **Chardon Township Wastewater Treatment Plant and Sewer Project Update**

- 1) The Berkshire Heights, Chardon Township sewer lateral connections have started.
- 2) Geauga County Department of Water Resources (GCDWR) continues to issue permits for the service connections. The Department has issued eight permits and 25 are pending as of this update. The first lateral connection was completed on by 9/9/22.
- 3) To date, 33 homeowners have submitted the required two estimates/quotes; once GCDWR notifies the homeowner of the authorized grant amount, he/she can contract with an installer, and return the permit application to GCDWR for processing.
- 4) Once 32-35 homes are connected, there will be enough flow to begin wastewater plant operations. Until that point, GCDWR will collect the sewage at the lift station on Thwing Road with tanker trucks to process at another plant.
- 5) Michael Kubrin, Engineering Technician, is the GCDWR point of contact for coordination and questions. His direct line is (440) 279-1984 or email: [MKubrin@gcdwr.org](mailto:MKubrin@gcdwr.org).
- 6) Please note that GCDWR is no longer located on Center Street in Chardon. Our new address is 12611 Ravenwood Drive, Suite 390, Chardon, OH 44024-9340, the new building near UH Geauga, and GCDWR is on the third floor.
