Fee Increase - In 2017, the Board of County Commissioners approved water and sewer rate fee increases for 2017 through 2023. These gradual fee increases are necessary to address aging and/or failing facilities, equipment, and the increasing costs of operating the water and wastewater facilities and lines.

Sewer rate increases:

- 2018 addition of \$4.00/unit/bill for Capital Improvements Fund (CIF)
- 2019 addition of \$2.00/unit/bill CIF increase
\$2.00/unit/bill sewer rate increase
- 2020 addition of \$2.00/unit/bill CIF
\$2.00/unit/bill sewer rate increase
- 2021 addition of \$4.00/unit/bill sewer rate increase
- 2022 addition of \$4.00/unit/bill sewer rate increase
- 2023 addition of \$4.00/unit/bill sewer rate increase

Total sewer rate increase \$20.00/unit/bill plus \$8.00/unit/bill CIF

Water rate increases:

- 2018 \$0.50/1,000 gallons water rate increase
- 2019 \$0.50/1,000 gallons water rate increase
- 2020 \$0.50/1,000 gallons water rate increase
